

P.V.A. Members Vote to Accept Associate Members into the Association

Following the National Annual General Meeting held in Canberra on 22 October 2019, Patron Lady Cosgrove as our Returning Officer, scrutinised the counting of the votes received from members (*as notified in the July 2019 P.V.A. News*) regarding accepting Immediate Family Members as Associate members of the Association.

The voting was in favour of accepting family members with 85% of those who voted agreeing to the change.

Members of our National Constitution Committee worked on the necessary changes to the National Constitution whilst we were in Canberra and a list of those changes are included in the December edition of the P.V.A. News, for members' information.
