

Introducing P.V.A. Qld State Patron Carol Caughey

There has been a push for many years to find a Patron for P.V.A. Qld. and it is our pleasure to appoint Carol, a widely travelled Partner of a Veteran, to the role.

Carol came to Australia in 1967 from Glasgow. She has had a career in teaching and counselling with qualifications including a Master of Education, Bachelor of Education and Diploma in teaching. Carol is still actively involved with Caloundra Primary School, volunteering with The Smith Family and the Sunshine Coast Library.

Carol has travelled many various places across Australia and Honolulu with her husband Major General Shane Caughey AM, CSC during his career spanning many years in the Australian Army.

Carol has a high degree of understanding of the situations some of us endure being part of a current or retired ADF family. We are sure you will find Carol to be caring and understanding as we have.
